Donation Payment Information

We have partnered with Idaho Community Foundation, a registered 501 (c) (3) to service our donations for nonprofit accounting purposes. All grants and gifts are locally distributed and directed by the WGC membership. Based on your membership level, either \$1000 or \$500 of your contribution is tax deductible (consult your financial advisor).

*Dues may be paid at any time during the year. However, in order for your donation to be applied to the current year grant voting cycle, we respectfully request your membership dues be paid by February 28th. This will allow us to determine our grant funds available for our grant decision process.

**Remember that all immediate grant funds for 2025, 2026 and 2027 will be matched 100% by
The Seagraves Family Foundation!**
